MEMORANDUM FOR: [REDACTED]

ATTENTION: [REDACTED]

SUBJECT: Intelligence Collection Guidance

REFERENCE: Our Memorandum No. _____ Dated _____

25X1A9a 1. This is in further reference to your recent conversations with

[REDACTED]. One of the points raised concerned a possible change in some of the Geography Division's standing requirements regarding E and E, and UW studies. (Although there has been some shift in our work load away from these studies, we are still responsible for producing them upon request. We accordingly wish to continue our requirements for E and E and UW information.)

25X1A9a 2. [REDACTED] was also given a list of topics to discuss with various people in the Geographic Research Area. In reply, to the inquiries

25X1A9a for him, [REDACTED] states that the items he referred to in his briefing

25X1A9a of [REDACTED] 25X6A [REDACTED] still apply and that they are gradually being covered by normal means. The Agrar Atlas über das Gebiet der DDR is on hand here.

3. [REDACTED] ^{B.} was given the information regarding geographic

and cartographic meetings. (His original query was actually in behalf of
25X1A9a 25X1A8a

25X1A9a [REDACTED] and [REDACTED] of [REDACTED], and your message to him was subsequently
passed on. The World List of Future International Meetings is received
here; and it is felt that the information contained in Messe und Ausstellung
is of marginal value.)

2. 4. ^{IA} A reply to your memorandum No. 202 of 6 July 1959 detailing the
activities of the Geographic Area on the case in question is being
forwarded.
